DESIGNED BY WOMEN FOR WOMEN®

VOLUME 17 • ISSUE 2 • APRIL, 2008

## Meet the new Managing Director of WTC!

Allison O'Sullivan, WTC Managing Director

### Hello ladies!

I am delighted to be the new Managing Director of The Women's Travel Club. Like my predecessor, Phyllis Stoller, the club's founder, I come from an entrepreneurial background with years in the travel business. Before I ran my own global events company, I traveled the world for an incentive firm, designing and managing international reward trips for a corporate clientele.

Everyone always asks me what my one favorite destination is. Great question, impossible to answer! There are hundreds, maybe even thousands, of little memory moments that crowd my head when I think about the miles I've covered...the enormity of Mt. Kilimanjaro...the Hall of Mirrors in Versailles...Hong Kong Harbor...the Reclining Buddha in Bangkok...the National Gallery in London...the Alhambra in Spain...the Acropolis in Greece...the Sistine Chapel in Rome...and, oh yes, a freshly baked croissant in Paris (there is always a memorable meal!).

### **This is an exciting time to be a woman with wanderlust.**

And the perfect time to be a member of The Women's Travel Club. In keeping with our mission, our trips are designed by women for women, with fabulous locales, imaginative itineraries, and memorable tours. And they will continue to be value-priced and sensitively coordinated for all experience levels and ages. But there's more good news to come! With fresh destinations to be announced shortly and plans for enhanced online services, you will want to keep an eye on our website [www.womenstravelclub.com](http://www.womenstravelclub.com) where you can also subscribe to our e-newsletter. You won't want to miss out on our frequent updates!

Thanks to all of you who have already made The Women's Travel Club your ideal home-away-from-home. I am fortunate to have inherited a club with a superb reputation and I am thrilled for the chance to build on that. Along with all of my enthusiastic, dedicated associates here in New Jersey, we look forward to your next adventure with The Women's Travel Club.

There's a big world out there. Enjoy it!

Warmest regards,

Allison O'Sullivan  
Managing Director

## WORDS OF PRAISE FOR WTC...

*"I traveled to Portugal with 14 wonderful women that I did not know but knew within one day. Some were single, married and there were two sets of mother-daughters. Although I had traveled a lot with my husband, I had not traveled alone to Europe. We had a great time sightseeing, shopping and just gabbing. I would advise anyone thinking about traveling with the Woman's Travel Club to do it!!! Great morale and ego booster!"*  
—Sherry from SC

*"Japan was a great trip. The hotels were in good locations and had many amenities. Included food was great. We had excellent tour guides who were not only friendly and helpful, but extremely knowledgeable about most any question we had. They even went out of their way to help us go to other places not on our tour and showed us taxi, bus and subway routes to take."*
